

THE MAGIC WORLD OF METALWORKING

**EMO MILANO 2021:
REOPENING EARLY TO 15 JUNE OF THE
EXHIBITION CENTERS**

The Government **anticipates the reopening**, already announced for next July 1st, of the exhibition centers **to June 15th**. Having a fixed date and protocols ready to allow safe attendance at the exhibitions was already a satisfaction for the best organisation of **EMO MILANO**.

This further advance is a new reason for trust for all exhibitors, also on the possibility of a wide mobility of

international visitors to **EMO MILANO** in the autumn period.

THE FAIR FOR THOSE WHO INVEST IN THE RECOVERY: HERE ARE THE MAIN ACTORS

Companies coming from 28 different countries in the world [have already confirmed](#) their presence at **EMO MILANO 2021, the “world machine tool exhibition” that will be held from 4 until 9 October in the modern and functional exhibition center of fieramilano.**

Taking part today at **EMO MILANO 2021** means choosing to be among the key players of the reference event in the world of metalworking, which looks at the recovery and that believes in the future of manufacturing world.

WHY EXHIBIT AT EMO MILANO 2021

- **EMO MILANO 2021** is the world metalworking fair that takes place every six years in Milan and promoted all over the world. It will be the first exhibition of the recovery in autumn, after a long stop of exhibition events and it will offer its exhibitors the opportunity to benefit from the global recovery.
- Positive current market data: first quarter order collection for Italian manufacturers: + 48,6%, of which + 157,9% on the domestic market (source: Centro Studi **UCIMU – SISTEMI PER PRODURRE**).

- Fast growing global demand for the exhibited technologies in 2021: + 18,4% (Asia + 15,6%, Europe + 23,5%, Americas + 19,7%) but above all in strong development also throughout 2022 (source: **Oxford Economics**).
- The development of **vaccination campaigns**, that have already started around the world, will be able to ensure wide mobility between different countries and international attendances at the fair in Autumn.
- The Italian Finance Law has established **strong tax incentives** for the purchase of the displayed technologies, **with tax credits up to 50%**.
